Language Center Summer 2010

Explore a world of wonders this summer at the French Institute Alliance Française (FIAF). Through a variety of fun courses and activities with FIAF's experienced, native French-speaking teachers, children of all ages embark on a voyage through culture and language.

à petits pas

Ages 1–5

Give your toddler's summer a French twist with FIAF's best-selling *à petits pas* program, designed for children aged 1–5. FIAF's French language experts will introduce your child to French language and culture, offering time-tested methods and a highly skilled staff. Sessions meet once per week and are led by experienced, native-speaking teachers. Children explore French culture and learn the French language through a variety of fun activities including arts, crafts, songs, games, stories, and more!

Summer Fun in French

Ages 5–11

Class groups: Ages 5–6, 7–8 & 9–11

All levels

Children are immersed in the French language through workshops and activities designed to educate and entertain. Through this year's theme of *La France des couleurs ! (Colorful France!)*, children will discover what makes France unique: the colors, flavors, and customs found in all its rich, multicultural diversity.

In one or two-week sessions, children explore *La France des couleurs !* through art, theater, and culinary workshops, as well as games, sports, and field trips—all in French!

Mondays–Thursdays, 9:30am–4:30pm

With *Garderie**, 8:30am–5:30pm

Bilingual groups also available
